NEOGIE ENGINEERING WORKS PVT.LTD

INNOVATIVE PRODUCT DESIGN

Dear Sir,

Neogie Engineering Works Pvt. Ltd. takes immense pleasure in introducing itself as a distinguished pioneer in the manufacturing of SPRAY NOZZLES in India. Our company has consistently maintained a reputation for excellence, providing industrial spray nozzles crafted from a variety of top-grade materials such as STAINLESS STEEL, BRASS, and ALUMINUM ALLOY. These high-quality nozzles cater to a diverse spectrum of applications across industries including steel plants, cooling devices, dust suppression systems, metal treating plants, carbon manufacturing facilities, oil-fired furnaces, wetting devices, air washers, fume control devices, gas cooling, and washing systems, among others.

At Neogie Engineering Works, our commitment to client satisfaction and exceptional design capabilities sets us apart as a leading force in the industry. Our team's unwavering dedication to delivering top-notch solutions has allowed us to carve a niche for ourselves in the market.

Our Research and Development division is at the forefront of innovation, specializing in the creation of proprietary, high-quality products. This commitment to innovation has enabled our clients to view our product range as a reliable alternative to imported nozzles, further solidifying our position as a trusted supplier in the market.

We take pride in our team of technically proficient engineers who are readily available to assess and tailor precise solutions that align with the unique needs of our clients. Their expertise ensures that our products not only meet but exceed the expectations of our customers.

Neogie Engineering Works has had the privilege of serving some of India's industrial giants, including esteemed organizations such as TATA STEEL, Philips Carbon Black Ltd, Durgapur Steel Plant, Vizag Steel Plant, Jindal Steel, and more. We consider it an honour to have the opportunity to extend our services to you, and we are confident that our quality products and services will leave you with minimal room to explore alternative options.

Thank you for considering Neogie Engineering Works Pvt. Ltd. as your trusted partner. We look forward to the prospect of serving your unique requirements and contributing to the success of your endeavours.

Sincerely,

Debanjan Niyogi
Director
Neogie Engineering Works Pvt. Ltd.

We are dedicated to surpassing customer expectations, fostering symbiotic growth through the delivery of innovative and high-quality engineering solutions. The trust and loyalty of our clientele underscore our success, as they repeatedly choose NEOGIE for technical consultations and continue to place repeat orders. Our relentless pursuit of customer satisfaction is at the heart of everything we do.

Green Initiatives:

Recognizing our responsibility to the environment and future generations, we actively engage in green initiatives. Our focus is on developing a product range that not only meets industrial needs but also promotes sustainable and safer workflows. We are committed to reducing pollution and minimizing heat emissions in our operations, contributing to a cleaner and greener future. By integrating eco-friendly practices into our work, we aim to be a catalyst for positive change in the engineering industry and beyond.

At NEWPL, our mission is not just a statement; it's a guiding force that shapes our decisions, actions, and the impact we aspire to create in the world."

Noteworthy Achievements and Awards at NEOGIE ENGINEERING WORKS [P] LTD

WBSIMA Recognition:

Successfully served the prestigious “WBSIMA” (West Bengal Sponge Iron Manufacturers Association) by installing ‘DRY FOG SYSTEMS’ (DFS) in sponge iron plants across West Bengal when DFS became mandatory.

Pioneer in Spray Nozzle Manufacturing:

NEOGIE ENGINEERING WORKS [P] LTD stands as one of the first manufacturers of spray nozzles in India.

Grasped DFS technology, effectively regulating dust pollution in renowned organizations such as TATA STEEL LIMITED, JINDAL GROUP, BHUSHAN GROUP, JAI BALAJI GROUP, ADHUNIK GROUP, SHYAM GROUP, covering approximately 95% of sponge iron plants in West Bengal, and various plants in Orissa, Jharkhand, Chattisgarh, and other parts of India.

Environmental Contribution:

Active participation in combating global warming, pollution, and environmental issues.

Our cooling and dust suppression nozzles, along with superior dust suppression systems, actively control excess heat, reduce pollution, suppress dust, contributing to a greener working space.

Certificate of Appreciation from Tata Steel:

Recognized and awarded the Certificate of Appreciation from Tata Steel for best Delivery Compliance.
Innovative Designs and Technical Expertise:

Created technically unique and proprietary designs in nozzles and dust suppression systems to meet specific client demands.

More than 70% of our resources are formally trained in engineering, computer design, and management.

We extend an invitation to explore our technologically superior product range tailored to meet exact requirements. Our commitment is towards a symbiotic and prosperous association in the united effort against pollution.
